

TOPIC TITLE: Stop Motion

NZC Level: 1 - 3

Project is about:

Telling stories using stop motion techniques.

Hours to complete:

Variable - but best suited to a longer project.

Tips and tricks:

- Learners will need to practice the techniques - resources can be found on youtube
- Lego is a great tool for the characters/stage
- Plan the script beforehand - use a storyboard
- Narration can be used to great effect
- Music can also be part of the story

Resources (URLS & physical tools etc):

[Stop Motion Studio](#) - the app is available for a variety of platforms/devices

Other stop motion applications are available - a simple search will reveal many alternatives.
